COMMISSIONER,

DEPARTMENT

The Honorable Hugh McDonald
Secretary of Commerce

Dear Secretary McDonald:

I am pleased to present to you the Annual Report of the Arkansas Insurance Department for the year 2022, pursuant to Ark. Code Ann. § 23-61-112.

This report summarizes the activities of the Department for the calendar year ending December 31, 2022 and fiscal year ending June 30, 2023.

Sincerely,

Alan McClain
Arkansas Insurance Commissioner

MESSAGE FROM THE COMMISSIONER

It is my honor to present the 2022 Annual Report for the Arkansas Insurance Department (AID) as the Arkansas Insurance Commissioner.

I am proud to report that Arkansas continues to aggressively recruit new companies to do business in our state. We welcomed **44** new insurance companies in 2022, increasing our total to **209** new businesses since 2015.

I am further proud to report that at the end of 2022, AID licensed **200,671 insurance producers and adjusters**, as well as **12,304 business entities**.

The growth of producers and businesses in 2022 resulted in **$21.5 billion** in gross direct written premium for the year, a nearly **$1.4 billion** increase over 2021. Compared to 2015, AID has increased direct written premiums in Arkansas by **$8.6 billion.**

In the last fiscal year (FY23), the Department collected nearly **$486.2 million** in taxes and fees. AID operations in FY23 cost just under **$11.5 million** – **less than 2.5%** of FY23 revenue.

While the Department increased opportunities for the insurance industry in 2022, it also made bold moves to protect consumers and do right by Arkansas taxpayers. In 2022, our Consumer Services Division **recovered more than $6 million** for Arkansas policyholders, while AID's Legal Division **collected more than $3.7 million** in restitution/recoveries for Arkansas consumers.

We continue to stay true to our mission of protecting Arkansas consumers by providing timely assistance and information while we efficiently regulate the insurance industry's market behavior and financial solvency.

COMPLIANCE DIVISION

Insurance.compliance@arkansas.gov • 501.371.2800
Director……Jimmy Harris

The Compliance Division is responsible for monitoring and regulating the rate and form filing activities of all insurance companies transacting business in the State of Arkansas. Insurers selling life, health, property, and casualty coverage in Arkansas must submit their forms for approval, which are reviewed to ensure compliance with state laws.

Additionally, insurers must file the rates that they charge for health, property, and casualty personal lines of insurance, as well as workers compensation and professional malpractice coverages.

Insurers file form and rate requests to the Arkansas Insurance Department (AID) through the System for Electronic Rate and Form Filings (SERFF) provided to the Department by the National Association of Insurance Commissioners (NAIC).

AID makes the non-proprietary portions of these filings available to the public via a link to SERFF on the Department's website, which can be viewed free of charge.

CONTINUED DECLINE IN WORKERS' COMPENSATION RATES

A dramatic decrease in the number of work-related injuries in past years has resulted in a decrease in the cost that most Arkansas employers pay for workers' compensation insurance.

The significant rate reduction shows that workplace safety policies in Arkansas are making us a welcome place for business and new employment opportunities.

The Department recognizes our state's employers and workers who make workplace safety a priority to keep costs low.

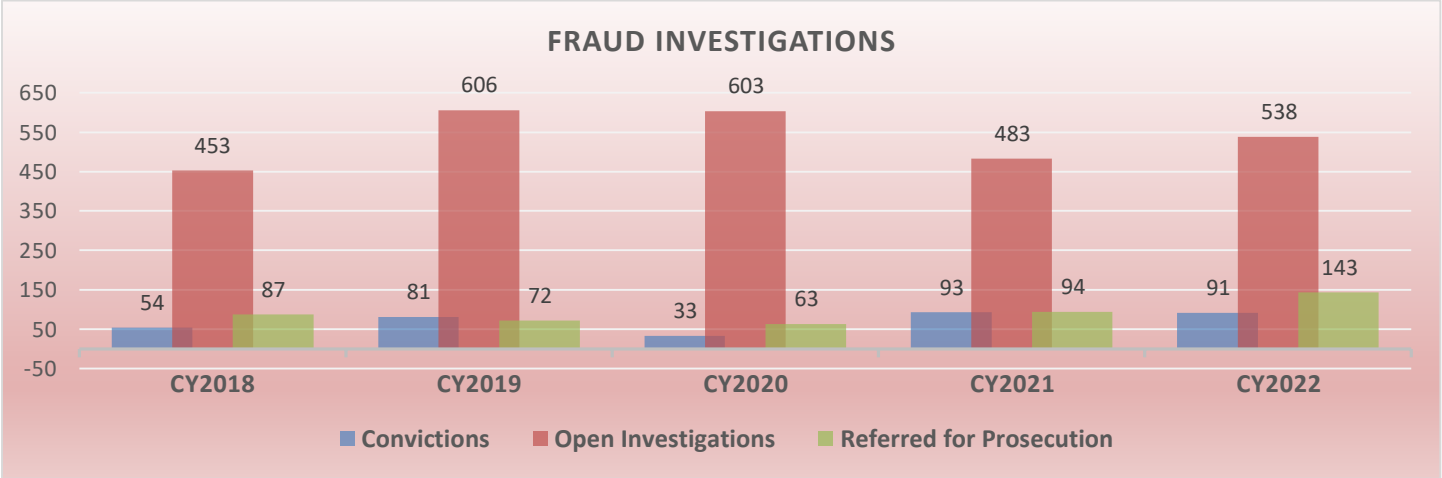
Deputy Commissioner.....Paul Keller
Deputy Director.....Pat O'Kelley
Managing Attorney..... .....Dan Reber

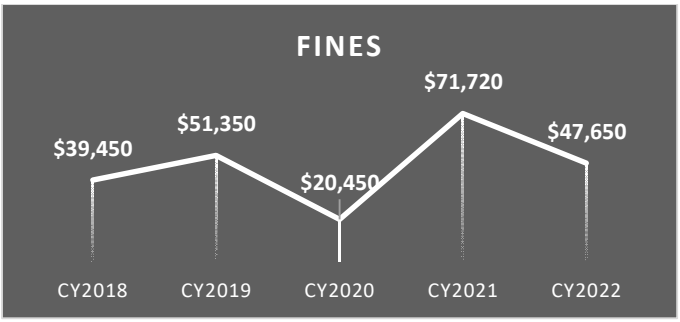
The Criminal Investigation Division (CID) investigates and prosecutes all categories of insurance fraud. CID was created by the Arkansas General Assembly in 1993 to investigate workers' compensation fraud.

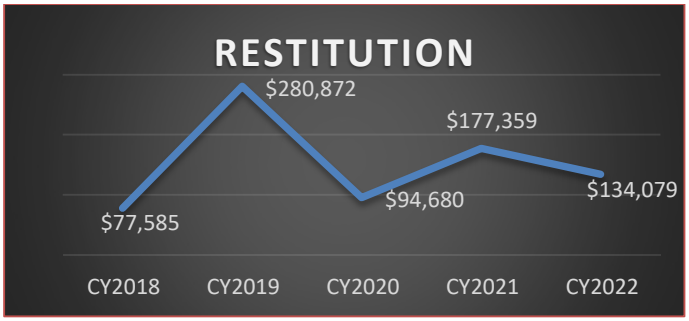
In 1997, the Legislature expanded CID's mandate to include all other types of insurance fraud and in 2001, CID received full law enforcement status and statewide jurisdiction.

Investigations that result in a finding of a criminal violation are referred to the appropriate prosecuting attorney's office. Division attorneys are authorized to be appointed as special deputy prosecuting attorneys.

Insurance fraud is not a victimless crime. **It is estimated that insurance fraud costs Americans $80 billion to $120 billion a year.** A suspected case of insurance fraud may be reported anytime by calling the toll-free number 1-866-660-0888.







FINANCE DIVISION

- Refining work processes through application development.

By executing its strategy of leveraging up-to-date, state-of-the-art software and systems technology, the division continually increases Department productivity.

The Risk Management Division, in cooperation with the DF&A - Office of Driver Services, manages the State Vehicle Safety Program (VSP) pertaining to tens of thousands of state drivers operating **5,922 state scheduled vehicles**.

The program involves record keeping and review of driver Traffic Violation Record information (accessible on the DFA-Office of Driver Services SVS website), which fulfills underwriting and bid specification requirements for the auto insurance.

The division updates the VSP when necessary for underwriting purposes, as well as to achieve premium saving and market placement of the state's commercial fleet insurance.

All state agencies that participate in the Arkansas Multi Agency Insurance Trust (AMAIT) Fund vehicle insurance policy are required to participate in the VSP, as are all drivers operating a state vehicle or private vehicle on state business.

The division also offers an on-site advanced driver improvement training program at no cost to the participating state agencies and public schools.

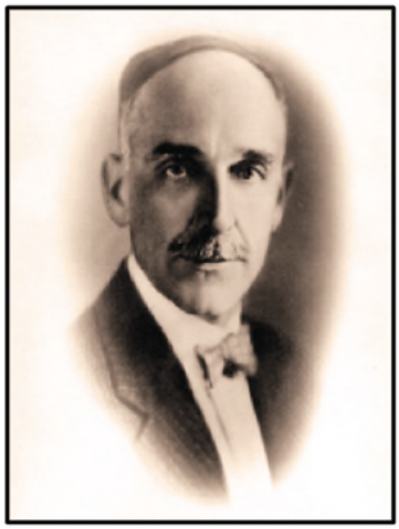
INSURANCE DEPARTMENT HISTORY



AID'S FIRST COMMISSIONER
BRUCE T. BULLION (1917-1924)

The work of the Arkansas Insurance Department was initially placed in the office of the Auditor of State by lay. The original "Insurance Bureau" was established in the Auditor's office by the Act of April 25, 1873 with the Auditor being charged with the execution of the laws of the state relating to insurance.

Recognizing the greatly increased volume of work required to be done by the Insurance Bureau, the Arkansas General Assembly created the State Insurance Department via Act 190 on March 7, 1917. The Act created the Department headed by the Arkansas Insurance Commissioner appointed by the Governor with the consent of the Senate.

The first State Insurance Commissioner was Bruce T. Bullion of Conway who served from 1917 to 1924.
