## **Section 7. Apprenticeship | Embalmers and Funeral Directors**

A. Any person desiring to apprentice in the science of embalming in this state shall be eighteen (18) years of age, have graduated from an accredited high school or have been issued a certificate of equivalency issued by the public school system, the military service, or an accredited college or university. He or she shall serve one (1) year in an Arkansas licensed establishment under an embalmer licensed by this Board, and shall assist in the preparation of at least fifty (50) bodies. This apprenticeship shall be registered with the Board, on applications provided by the Board, and individual case reports must be signed by both the apprentice and the licensed embalmer under whose supervision the work was done, and filed with the Board by the 10th day of the following month. The apprentice must enroll in mortuary school within one year of beginning the apprenticeship. Failure to do so will result in the termination of the apprenticeship for a period of ninety (90) days, or upon the enrollment in mortuary school, whichever period is shorter. If the apprentice is a graduate of a school of embalmers, then proof of such graduation and the requirements therefor may be substituted for six (6) of the eighteen (18) months of the apprenticeship, provided the school is accredited by the American Board of Funeral Service Education or approved by the Board.

B. Any person desiring to apprentice in the business of funeral directing in this state shall be eighteen (18) years of age, have graduated from an accredited high school or have been issued a certificate of equivalency issued by the public school system, the military service, or an accredited college or university. He or she shall serve eighteen (18) months in an Arkansas licensed establishment under a funeral director licensed by this Board, and shall actively assist in the arranging and conducting of fifty (50) services. This apprenticeship shall be registered with the Board, on forms provided by the Board, and individual case reports must be signed by both the apprentice and the licensed funeral director under whose supervision the work was done, and filed with the Board by the 10th day of the following month. If any person is a graduate of an accredited school of mortuary science and has passed the National Conference Exam, that person shall be required to serve only one (1) year as an apprentice funeral director. Any person serving a funeral director apprenticeship must obtain at least six (6) hours of classroom instruction during the apprenticeship. These hours must be attained in the subject matters of funeral service practices and ethics, laws, and rules affecting funeral service. The continuing education courses shall be taken from a provider approved by the Board and cover instruction in funeral service practices and ethics, laws, and rules affecting funeral service.

C. Any person desiring to register as an apprentice either in the science of embalming or the business of funeral directing must submit the following documents:

1. A completed application for Apprentice Funeral Director or Apprentice Embalmer, or both if the applicant wishes to apply for dual apprenticeship;
2. The required fee(s);
3. A copy of his or her high school diploma, certified transcript with proof of graduation, certificate of equivalency issued by the public school system or military, or an accredited college or university diploma, or official transcript with proof of graduation;
4. Completed statement of apprenticeship form;
5. A recent color photograph or photo identification; and
6. The forms and fees necessary for the Board to conduct a State Police background check.

D. All funeral director and embalmer case reports must be filed in the Board's office no later than the 10th of the month following the month in which the work was actually performed. Incomplete case reports will not be accepted, and as such, they will be returned to the apprentice.

## Section 7. Apprenticeship | Embalmers and Funeral Directors

E. Any person who is registered as an apprentice embalmer and/or funeral director in the State of Arkansas is required to complete this apprenticeship within three (3) years of the date of registration. If not completed within three (3) years, the apprentice may re-register for a second three (3) years. In cases where the apprenticeship is not completed in three (3) years, the apprentice will be notified that he or she has ninety (90) calendar days to re-register. If the apprentice fails to re-register within ninety (90) calendar days from the date of notification, then upon any delinquent re-registration, the apprentice must start the apprenticeship from the beginning, to include case reports. If the apprenticeship is not completed within six (6) years of the date of original registration, he or she shall not be eligible to register as an apprentice for ninety (90) calendar days. After this ninety (90) day period, a person may register as an apprentice and begin the process from the beginning, including case reports.
