17 CAR § 30-203. Funeral Establishments Type B – Mortuary Service Firms.

(a)(1) A mortuary service firm is an agent of a Type A establishment and as such does not make arrangements with the public.

(2) Applicants seeking Type B licensure must meet the following minimum requirements:

(A)(i) The application shall be completed on forms provided by the State Board of Embalmers, Funeral Directors, Cemeteries, and Burial Services and be accompanied by the required fees.

(ii) Applications are available on the board's website, or they can be obtained by contacting the board's office;

(B) The application must be received by the board at least twenty (20) business days before the board's next regularly scheduled meeting;

(C) The manager and owner of the establishment shall appear at the board meeting for discussion of the license application;

(D) The application must be accompanied by proof of a minimum of one million dollars ($1,000,000) of general liability insurance coverage; and

(E) The application must state that the mortuary service firm is under the management and supervision of a dually licensed funeral director and embalmer who has been licensed as such for at least five (5) years.

(b) The name of the manager of the mortuary service firm shall be reported upon renewal on forms provided by the board.

(c)(1) If the funeral director and embalmer serving as the manager of the mortuary service firm shall no longer serve as manager or leave the employment of the firm for any reason, the mortuary service firm shall notify the board of the management change within three (3) business days, and of his or her successor within fifteen (15) business days.

(2) The notification shall be made on forms provided by the board.

(d) All embalming performed in the mortuary service firm's establishment must be performed by or under the direct personal supervision of an Arkansas licensed embalmer.

(e) Each funeral establishment Type B shall be operated by a sole owner, a partnership, a limited liability partnership, a limited partnership, a limited liability company, a subsidiary of a corporation, or by a corporation chartered in the State of Arkansas.

(f) The funeral establishment Type B shall be inspected by a representative of the board, prior to initial licensure.

(g) **Preparation room.**

(1) **Construction.**

(A) The room must be constructed with such materials and finished in such a way that the room and the contents thereof may be cleaned and disinfected.

(B) The room must be of sufficient size and dimension to accommodate an embalming table.

(C) The door to the room must contain a functional lock, prevent unauthorized entrance to the room.

(D) The room must also contain a sanitary floor, walls, and ceiling, and adequate sanitary drainage and disposal facilities, including hot and cold running water.

(E) The room must also comply with the sanitary standards and disposal requirements as prescribed by the Department of Health and Occupational Safety and Health Administration to prevent the spread of contagious, infectious, or communicable diseases.

(F) The room shall also include an instrument table, cabinetry, and shelves, as necessary.

(G) The room shall not have a passageway available for public use.

(H) Only equipment used in the preparation of dead human bodies, shall be stored in the preparation room.

(2) **Universal precautions.**

(A) In handling and preparing dead human bodies for final disposition, any person who comes in direct contact with an unembalmed dead human body or who enters a room where dead human bodies are embalmed, shall use universal precautions and shall exercise all reasonable precautions to minimize the risk of transmitting any communicable disease from the body.

(B) All persons present in the preparation and embalming room while a body is being prepared for final disposition must be attired in accordance with all applicable state rules and federal regulations regarding the control of infectious disease and workplace health and safety.

(3) **Ventilation.**

(A) The preparation room shall be heated and cooled separately from the rest of the establishment.

(B) The preparation room must be properly ventilated with a ventilation system that provides for an adequate intake of fresh air.

(C) The preparation room shall also provide an exhaust system with all fumes exiting to the outside atmosphere.

(D) This ventilation system must provide adequate air exchanges per hour to maintain adequate formaldehyde levels in accordance with the Occupational Safety and Health Administration Formaldehyde Standard found at 29 C.F.R. § 1910.1048.

(E) The construction must be such that odors from the preparation room cannot enter the rest of the establishment.

(4)(A) **Preparation procedures – Access to preparation room**.

(i) The preparation of a dead human body for final disposition shall be performed in privacy.

(ii) No person shall be permitted to be present in the preparation room while a dead human body is being embalmed, washed, or otherwise prepared for final disposition, except:

(a) Licensed embalmers;

(b) Registered apprentices or students;

(c) Public officials or their representatives, in the discharge of their official duties;

(d) Licensed medical personnel; and

(e) Employees of the establishment, whether licensed or not.

(B) **Equipment.**

(i) The preparation room shall contain sufficient supplies and equipment for normal operation.

(ii) Nothing in this section shall require embalming chemicals to be stored in the preparation room.

(iii) No excess equipment shall be stored in the preparation room.

(iv) The only items and equipment allowed to be maintained in the preparation room are those items and equipment necessary for preparing dead human bodies.

(v) There shall be storage shelves or cabinetry for all:

(a) Supplies;

(b) Instruments; and

(c) Equipment.

(C) **Visibility.** All outside openings of the preparation room shall be covered such that the coverings prohibit viewing the interior of the room from the outside.

(h) **Custodial log.**

(1) Each location of a funeral establishment Type B shall maintain a log on the premises that chronologically lists the decedents that enter and leave the facility.

(2) The log must be available at all times for inspection by the board.

(3) The log shall list the name of each deceased person received at the location, including the following:

(A) Date and time the remains were received;

(B) Any personal property that accompanied the remains;

(C) The name and signature of the person delivering the remains and the establishment or entity they represent;

(D) The name and signature of the agent or employee of the receiving establishment, and the name of the establishment the remains are being released to; and

(E)(i) The name and signature of the licensed embalmer who performed the embalming.

(ii) The registered apprentice embalmer should also sign in cases where an apprentice assisted.

(i) **Embalmer's case report**.

(1) Each funeral establishment Type B shall maintain an embalmer's case report for each case embalmed in the firm.

(2) The case report shall be signed by the licensed embalmer and the registered embalmer apprentice if one assisted.

(3) The case report shall be maintained on file for each case and shall become part of the death record.

(j) **Training.** All mortuary service personnel who come in direct contact with a dead human body, including making removals, transporting, embalming, and any other preparation of the body, must comply with all required Department of Health and the Occupational Safety and Health Administration training, requirements, and standards.

(k)(1) When a mortuary service firm is sold or changes ownership, the firm shall notify the board in writing, at least thirty (30) days prior to the sale or change of ownership.

(2) In cases where the name of the firm will not change, the license then in force and effect shall be honored, for the new owner, until that license expires.

(3) If the new owner desires to change the name of the firm prior to the license expiration, then the owner shall apply for a license for the firm to be issued in the new name.

(l)(1) When a mortuary service firm closes, the board shall be notified, in writing, within seven (7) days of the date of closure.

(2) The license in force at the time of closure shall be returned to the board office.

(m) If the mortuary service firm's license is revoked, that license must be returned to the board office within seven (7) days of receipt of the board's order revoking the license.

(n) Each funeral establishment Type B shall maintain the current registration and minimum insurance coverages on all of its vehicles, as required by the State of Arkansas.

(o) Each funeral establishment Type B is required to maintain a general business policy or a general liability policy of no less than one million dollars ($1,000,000).

(p)(1) A certificate of liability insurance shall be provided to the board at the time of initial licensure and upon each renewal of the insurance policy.

(2) When possible, the board should be listed as a certificate holder.

(3) The board should also be notified of each renewal and any cancellation for any reason.

(q)(1) The board shall grant or deny each application for a mortuary service firm under the provisions of this section after the application is reviewed at the meeting in which it was presented.

(2) No applicant may operate a mortuary service firm until a license has been issued by the board.

(r)(1) A mortuary service firm license shall be issued under this section upon application and after inspection of the firm.

(2) The applicant must have successfully passed inspection prior to the application being discussed at the board's next regularly scheduled meeting.

(s) Renewal of all mortuary service firm licenses Type B must be made timely and must be accompanied by the renewal fee.

(t) Licenses not renewed timely shall be considered delinquent and may be grounds for disciplinary action by the board.

(u)(1) Each mortuary service firm using an embalmer who is not employed by the mortuary service firm, must file with the board a notarized statement signed by the embalmer, stating that his or her services are available to the firm at all times within a reasonable time after death occurs, and not to exceed six (6) hours.

(2) Embalmers shall obtain express permission prior to embalming, and written permission before or after embalming.

(v)(1) Mobile homes or mobile units are prohibited for use as a mortuary service firm or branch thereof.

(2) No mobile home or mobile unit shall be used in the performance of any function or service of a mortuary service firm or branch thereof, except in the case of an emergency as prescribed by the board.

(3) Mobile homes, modular units, manufactured homes, and similar mobile units may be used on a temporary basis if approved by the board, and the establishment may be granted a replacement license if the board deems appropriate.

(w)(1) The licensed funeral director and embalmer who manages and supervises the mortuary service firm, may hire such employees as may be needed to assist the manager in competently providing services.

(2) Disciplinary action may be taken against a manager or a mortuary service firm because of the acts of their agents or employees which violate the laws and rules governing the licenses.

(x) Except at the request of, and as the agent of a licensed funeral establishment or its representative, a mortuary service firm is prohibited from providing funeral services and funeral merchandise, other than providing shelter, care, custody and preparation of the human dead, or any type of services including direct disposition or the practice for preparing of the human dead by embalming or other methods.

(y) A funeral establishment Type B mortuary service firm shall not be required to have a selection room or display any caskets.

A.C.A. § 17-29-304

17-29-304. Funeral establishment -- Requirements. [Effective 91 days after final adjournment of the 2019 Regular Session.]

(a)

(1) A person shall not conduct, maintain, manage, or operate a funeral establishment in this state unless the State Board of Embalmers, Funeral Directors, Cemeteries, and Burial Services has issued a license for the funeral establishment and the license is displayed in the funeral establishment.

(2) A price list, statement of funeral goods and services, publication, advertisement, or other document of a funeral establishment shall:

(A) Accurately reflect the name and location of the funeral establishment on file with the board;

(B) Accurately describe each location to which the price list, statement, publication, advertisement, or document applies; and

(C) Include additional annual requirements as determined by rule of the board.

(3) A funeral establishment shall:

(A) Establish a permanent place of business;

(B) Maintain a working telephone number for the funeral establishment;

(C) Maintain working public utilities, including without limitation running water, electricity, and a functioning heating and cooling system; and

(D) Ensure that the interior of the funeral establishment is protected from exposure to outside elements.

(4) A funeral establishment may display a sign at each location of the funeral establishment that indicates the registered name of the funeral establishment that is on file with the board.

(b) (1) (A) Except as provided in subdivision (b)(2) of this section, the board shall not issue a license to operate a full-service funeral establishment unless the establishment has employed a full-time manager who:

(i) Is a licensed funeral director;

(ii) Actively supervises the staff of the establishment; and

(iii) Is not employed by a nonaffiliated funeral establishment.

(B) A funeral establishment shall:

(i) Be open for business and available for inspection by the board during normal business hours; and

(ii) Post conspicuously its hours of operation on the premises of the funeral establishment.

(2) A funeral establishment that is a part of a multiunit enterprise within this state may employ only one (1) full-time manager who is licensed as a funeral director for a branch of the funeral establishment if the full-time manager:

(A) Is reasonably accessible to the branch of the funeral establishment; and

(B) Resides within fifty (50) miles of the branch of the funeral establishment.

(c) Application for the funeral establishment licenses shall be made on forms furnished by the board.

(d) All embalming therein shall be performed by or under the direct supervision of an Arkansas-licensed embalmer.

(e) (1) A funeral establishment that conducts embalming shall have a preparation room for embalming that has:

(A) Sanitary floors, walls, and ceilings that are constructed from a washable surface;

(B) Adequate sanitary drainage and disposal facilities, including hot and cold running water;

(C) An exhaust system that provides proper ventilation according to the standards and regulations of the United States Occupational Safety and Health Administration for the prevention of the spread of contagious, infectious, or communicable diseases;

(D) A heating and cooling system that is separate from the rest of the funeral establishment;

(E) Privacy coverings on doorways and windows that prevent viewing of the preparation room and the contents of the preparation room;

(F) A functional lock that prevents unauthorized entrance to the preparation room;

(G) A biohazard waste disposal system that complies with § 20-32-101 et seq. and rules established by the Department of Health concerning the segregation, packaging, storage, transportation, treatment, and disposal of commercial medical waste from healthcare-related facilities; and

(H) Other requirements established by rule of the board.

(2) The funeral establishment shall comply with the rules of the department and standards and regulations of the United States Occupational Safety and Health Administration for the prevention of the spread of contagious, infectious, or communicable diseases.
(f) Each funeral establishment using an available embalmer shall file with the board a notarized statement signed by the embalmer, stating that his or her services are available to the establishment at all times, and within a reasonable time after death occurs, not to exceed six (6) hours.
(g) A funeral establishment shall:
(1) Contain a separate conference room that is used to make funeral arrangements;
(2) Display on site a reasonable number of caskets as determined by the board;
(3) Maintain proper care and maintenance of the interior and exterior of the funeral establishment;
(4) Maintain the interior and exterior of the funeral establishment in a manner that does not present a potential or actual hazard to the health, safety, or welfare of the public; and
(5)
(A) Maintain at least one (1) refrigeration unit or have access to a refrigeration unit within a reasonable time after death as determined by rule of the board.
(B) Accessibility to a refrigeration unit by a funeral establishment shall be reported as determined by rule of the board.
(C) A multi-unit funeral establishment enterprise is required to maintain at least one (1) refrigeration unit or have access to a refrigeration unit within a reasonable time after death as determined by rule of the board.
(h) Mobile homes or mobile units are prohibited for use as a funeral establishment or branch thereof. No mobile home or mobile units shall be used for the performance of any function or service of a funeral establishment except in case of emergency as prescribed by the board. Mobile homes, modular units, manufactured homes, and similar mobile units may be granted a replacement license on a case-by-case basis.
(i)
(1) A funeral establishment shall provide proof of general liability insurance.
(2) The board shall develop and promulgate rules requiring sufficient and appropriate minimum levels of general liability insurance coverage for licensed funeral establishments.
(j) Upon renewal of its license, a funeral establishment that is currently operating under this section shall be subject to the provisions in this section as determined by rules of the board.
(k) Multiple funeral establishments are not permitted to share the same physical location without the prior approval of the board.

- Subtitle 2. Nonmedical Professions
- Chapter 29 Embalmers, Funeral Directors, and Funeral Establishments
- Subchapter 3-- Embalmers and Funeral Directors Law -- Licensing

17-29-305. Funeral establishments -- Examinations -- Licenses. [Effective July 1, 2018.]

(a) (1) Funeral establishment licenses shall be issued, upon application to the State Board of Embalmers, Funeral Directors, Cemeteries, and Burial Services, only after examination of the establishment to be licensed reveals that the requirements of the board for an establishment license have been met. The fee shall accompany the application for a funeral establishment license.

(2) All funeral establishment licenses expire on December 31 of each year.

(3) The board shall grant or deny each application for a license under this section after it is filed.

(4) A person who has filed an application for a license shall not be prosecuted for a violation of this subchapter unless the applicant is properly notified that the application was denied by the board before the violation occurred.

(b) (1) (A) An owner of a funeral establishment shall:

(i) Notify the board in writing at least thirty (30) days before a change of ownership of the funeral establishment occurs; and

(ii) Supply information requested by the board concerning the change of ownership.

(B) The board shall develop and promulgate rules to provide a transfer of ownership of a funeral establishment, including the transferability of a license issued under this subchapter.

(2) If there is a change in the name of the establishment, a new license shall be issued in the new name if the requirements for licenses as established in this section are met.
